Section-B: (Part-II B)

Adarsh Education Society, Hingoli

Para.1: Income and Expenditure Account and Balance Sheet-incorrect depiction of receipts

(A) Scrutiny of the Income and Expenditure Statement prepared by the Chartered Accountant for Adarsh Education Society for the year 2015-16 to 2017-18 revealed that under the head 'income from other sources', the CA had added the income of different colleges received from college fees, computer fees, misc receipts, tuition fees, admission fees, vocational course computer fees, extracurricular fees, etc. Scrutiny of the details of income from other sources it was seen that while adding income of Adarsh Junior College, the fees of vocational computer course was shown exorbitantly as detailed below-

Particular	Year	Amount shown	Actual amount	difference
------------	------	--------------	---------------	------------

		in income and exptd statement of society	collected as seen from receipt and payment statement of Junior College	
vocational	2015-16	1,68,860	1,92,460	-3600
computer	2016-17	22,69,762	1,55,600	21,14,162
course fee	2017-18	25,90,944	1,75,430	24,15,514

Interestingly it is seen that in the Receipt and Payment statement of Junior College, under 'Vocational course salary grant' (i.e grant received from government) receipt of Rs 19.52 lakh during 2015-16; Rs 21.14 lakh during 2016-17 and Rs 24.15 lakh during 2017-18 is shown.

Audit enquired whether a receipt under vocational computer course is "grant" (received from government) or whether it is collected from students as "fees".

In reply it was stated that Junior College receives grant for two heads- one regular salary and other salary for vocational course, but added that necessary correction in audit report would be made.

(B) In the Balance Sheet under the Assets side, the Chartered Accountant had shown the depreciated value of immovable and moveable properties. In the immovable property, the depreciation charged on Sports Infrastructure Facility constructed through UGC funds is shown.

However, while calculating the Assets under the immovable property, cost of Sports Infrastructure Facility constructed through UGC funds is not included. Thus the assets under immovable property is under-stated.

Audit enquired as to when depreciation is charged on sports infrastructure why cost of this is not included in immovable property.

The President while accepting the incorrect depiction stated that necessary corrections would be got done from the Chartered Accountant and report thereof will be submitted.

Further progress in the matter may be intimated to audit.

Para.2: Non maintenance of register for moveable and immovable properties by the Adarsha Education Society, Hingoli.

As per Rule 18 (5)(iii) of the Bombay Public Trust Act 1950 register for movable and immovable properties (Assets) is to be maintained by the Registered Shikshan Sanstha under this Act.

Audit observed the following:

However, scrutiny of records in respect of immovable properties of Shikshan Sanstha revealed that Secretary, Adarsha Education Society, Hingoli is having immovable properties i.e. school building, Library building, Hostel etc. However, no such register indicating the details of the properties and its present cost have been maintained by the Adarsha Education Society, Hingoli as required under the rules. Non observance of the codal provision is in contravention of the Act.

On this being pointed out in audit, the President stated (09/2019) that immovable properties register would be maintained.

Further progress in the matter may be intimated to audit.

Principal, Adarsh Arts, Commerce and Science Sr. College, Hingoli

Para.3: Receipt and Payment Account - GOI Scholarship disbursement

Audit of Adarsha Education Society's Sr College for the period from 2008 to March 2019 is being conducted.

Scrutiny of the Receipt and Payment statement prepared by the Chartered Accountant revealed that the GOI Scholarship amount received by the Sr College is not being disbursed fully in that particular year. The details of receipt of GOI scholarship and its payment is as below-

(in lakh)

Year	GOI scholarship received by college	GOI scholarship disbursed by college	difference
2013-14	37.49	37.20	0.29
2014-15	33.64	33.24	0.40
2015-16	43.23	42.23	1.00
2016-17	37.12	0.18	36.90
2017-18	16.50	0.11	16.39
2018-19	31.62	nil	31.62

From the above table it can be seen that between 2013-14 & 2015-16, the GOI scholarship receipt and its disbursement was almost same, however, thereafter from 2016-17 to 2018-19, very little or nil GOI scholarship payment could be made to students by the Sr. College. Due to this, a liability of Rs 92.27 lakh is shown in Balance Sheet.

On this being pointed out in audit Principal replied (09/2019) that during admission of backward class student only Rs.40/- is charged. From 2016-17 to 2018-19, the liability of Rs.92.27 lakh shown in Balance Sheet was received from the Government towards College fee, however, due to non availability of student's number and category in the orders of Social Welfare department, said amount could not be classified to the respective head of accounts.

Further progress in the matter may be intimated to audit.

Para 4: Balance Sheets - UGC grants

The Chartered Accountant of Adarsha Education Society's Sr College had prepared Income and Expenditure Statements; Receipt and Payment statements and Balance Sheets for respective years.

(A) Scrutiny of the Balance Sheets revealed that grants received under UGC or Planning Commission are shown as it is year to year. Also the assets created by use of these grants are not depreciated and the face value of expenditure in a particular year is depicted as if in the next financial years. For example the Liability side of Balance Sheet shows the amount of grant for - Xth Plan Development grant (Rs 5.20 lakh), UGC Carrier organization grant (Rs 7 lakh), UGC Xthe Plan Women hostel grant (Rs 70 lakh) , etc is shown as it is in year 2014-15 and same in year 2018-19. This was highlighted by the Chartered Accountant in his yearly Audit Reports that "depreciation is not provided but are disclosed at historical cost/value".

However, few grants/funds were shown with decreased amount by passing of year. The details are as below-

Grant	Amount shown in 2014-15	Amount shown in 2018-19	difference
UGC XII plan IQAC	3.00 lakh	1.42 lakh	1.58 lakh
UGC XII Plan Development grant	5.90 lakh	4.22 lakh	1.68 lakh
Total			3.26 lakh

Thus the grants/funds received in above heads of UGC were shown less by Rs 3.26 lakh.

(B) Construction of Indoor Sports Training Facility -

The UGC, Pune had approved a proposal for construction of Indoor Sports Training Facility for a cost of Rs 84.83 lakh. UGC was to share Rs 70 lakh of the expenditure

and remaining Rs 14 lakh was to be borne by Sr College. UGC released Rs 35 lakh (50%) on 25 September 2011.

The further release of grant depend on receipt of audited utilization certificate, statement of expenditure, progress report and physical verification by UGC team.

Scrutiny of the Balance Sheet revealed upto March 2018 an expenditure of Rs 43.23 lakh was booked on construction. Due to delay in construction, UGC did not send the remaining grant of Rs 35 lakh.

However as per Balance Sheet of 2018-19, up to date expenditure of Rs 133.55 lakh was shown as incurred on construction of Indoor Sports Training Facility i.e. in the year 2018-19 alone an expenditure of Rs 90.60 lakh was expended.

Since funds were not available, contractors payment of Rs 57.04 lakh; Architect payment Rs 2.47 lakh; Electrical work Rs 0.37 lakh were shown as 'Liability'.

It was also seen that though UGC second instalment of Rs 35 lakh was not received, but the Sr College while submitting the 'Utilisation Certificate' had shown that it had received Rs 70 lakh from UGC.

(C) During 2017-18, in Income and Expenditure Statement, the College has shown Rs 20,00,430 as 'Miscellaneous Receipts' under the Head Misc Receipts. This amount of Rs 20 lakh is of cancelled cheques account.

Audit asked to furnish the details of cancelled cheques amounting to Rs 20 lakh.

In reply Principal replied (09/2019) that -

(A) the matter would be taken up with the Chartered Accountant.

(B) For construction of indoor stadium UGC had sanctioned 70 lakh. However, only 35 lakh was received from UGC. To obtain remaining share, proposal was sent to the UGC.

(C) Details of cancelled cheque for Rs.20.00 lakh would be verified and would be intimated to audit.

The Chartered Accountant had categorically pointed out in his Audit Report that all the long standing liabilities should be settled. But from the above table it can be seen that the liabilities are persistent or increasing and not settled.

On this being pointed out in audit, Principal stated (09/2019) that the amount of honorarium and misc. expenditure was paid to the respective official. However, the matter would be checked with CA and corrections would be carried out in next audit report (2019-20).

Further progress in the matter may be intimated to audit.

Para.6: Balance sheet 2017-18 and 2018-19 - incomplete depiction of figures

Scrutiny of the Balance sheet for the year 2018-19 of Sr College, Hingoli revealed that-

1) Under Receipt and Payment statement (2018-19), receipt of Rs 96,65,035 was shown as 'anamat' i.e deposit against which payment of Rs 12,71,650 was shown as expenditure. However, in the Balance Sheet in 'other liabilities of staff and others', a liability of Rs 57, 04,507 only was shown. Thus there was difference of Rs 39,60,528. It is interesting to note that only one big work of construction of sports infrastructure under UGC was completed for which payment was still to be made.

2) Under Asset side (2018-19), under the head 'recovery on account of --' a) university exam paper collection centre - Rs 16,182; b) Flag Day fund- Rs 40,821 and other minor recoveries are shown as asset for the period 2014-15 to 2018-19. This means these amounts are still to be recovered. Also from the year 2017-18 to 2018-19, recovery of salary (V.P.M) of Rs 67,326 is shown.

3) In 2017-18, in Receipt and Payment statement, Imprest A/c (arnaf) received is shown as Rs 10,87,427 while payment is shown as Rs 36,66,164.

However, in Balance sheet under Asset side - Loans and Advances, imprest account is shown as Rs 28,46,973. Audit enquired about difference of about Rs 8 lakh.

In reply the Principal stated (9/2019) that all the three points will be checked with CA and necessary corrections if any would be carried out.

Para.7: Time barred cheques of year 2016-17 in financial statement

Scrutiny of the financial statements for the year 2016-17 under the Bank Reconciliation revealed that there were 30 cheques which were issued but not presented in the bank. These cheques were issued between March 2011 & September 2016. The total of these 30 cheques was Rs 7,54,755.

It was seen that most of these cheques were related to payment of scholarship to students.

The Chartered Accountant in his 'Notes to Auditor's Report' had specifically mentioned that these cheques should be cancelled and the expenditure to be reversed to the respective heads. However, no action was seen to be taken by the college.

In reply the Principal stated (9/2019) that necessary correction would be made in next audit report.

Para.8: Non crediting of lapsed deposit into Government account (Sr/Jr/MCVC Colleges).

As per Rule 506 of Maharashtra Treasury Rule, 1968 any amount lying unclaimed for more than three financial years it should be treated as lapse deposit and credited into Government account.

On scrutiny of Balance Sheet and Receipt & Payment Account for the year 2018-19 of the Sr/Jr/MCVC Colleges respectively run by Adarsh Education Society's Arts, Commerce and Science College, Hingoli revealed that undisbursed deposit of Rs. 4617121/- was shown under the head of 'liability of Deposit from Students' as details given below.

Head of Account	Sr College (Amount in Rs)	Junior College (Amount in Rs)	MCVC (Amount in Rs)
Computer Application Course fees deposit	2,29,950	0	0
Library Deposit	5,10,377	354463	50720
Laboratory Deposit	1,21,561	237206	60092
Book Bank Deposit	26,813	2066	0

S.A.F. Book Deposit	218	0	0
Fees Deposit	15,271	1495	0

Fees A/c (CMS)	18,98,555	0	0
PST Feeship	0	8903	0
National Flag Fund	0	0	11780
Gow Raksha Fund	0	0	3850
Total	31,67,351	1245713	204057

This amount is being accumulated since long which requires to be refunded to the student after completion of study. As per above provision if not claimed, it should be treated as lapse deposit and credited into Govt. account. But the same is not done by the Sr/Jr/MCVC Colleges respectively resulting irregular retention of undisbursed 'Deposit from Students' of Rs. 46,17,121/- (upto March 2019) and lying idle in the account of the Sr/Jr/MCVC Colleges respectively.

On this being pointed out in audit Principal stated (09/2019) that Library, Laboratory and other deposits were collected from the students and thereafter refunded as per their demand.

The reply is not acceptable as per Rule 506 of Maharashtra Treasury Rule, 1968 any amount lying unclaimed for more than three financial years it should be treated as lapse deposit and credited into Government account accordingly it required to be credited to Government account.

Para.9: Inadmissible expenditure of Rs. 21,771/- towards Audit fee.

As per Schedule A list of admissible expenditure rule 89.1(2) 7, Misc. 14 of Secondary School Code if the admitted expenditure of the school exceeds Rs. 300000, Audit fee of Rs. 1000/- is admissible for the expenditure incurred by the school on audit of accounts by registered accountant.

Scrutiny of Receipt & Payment Account of Sr College run by Adarsh Education Society's Arts, Commerce and Science College, District Hingoli revealed that the College has paid audit fees in excess of the prescribed rate of Rs. 1000 during the period 2015-16 to 2018-19 amounting to Rs.1,29,940/-. The details are as under:

Year	Type of account	Audit fees admissible	Audit fees paid	Excess
2015-16	Receipt & payment	1000	24000	23000
2016-17	Receipt & payment	1000	27600	26600

2017-18	Receipt & payment	1000	46030	45030
2018-19	Receipt & payment	1000	30320	29320
Total				123940

On this being pointed out in audit Principal stated (09/2019) that the audit fees was paid to the Chartered Accountant as per the rates finalized by the Chartered Accountant's (CA) Association.

The reply is not acceptable as the rates finalized by the CA Association is not approved by the Government of Maharashtra hence it is not acceptable.

Para.10: Non remittance of TDS Rs. 8461/- in to Government account.

As per Rule 194 of Income Tax Act, Tax Deducted at Source should be credited in Government account by the Deductor on or before the 7th day of the month next to the month in which tax was actually deducted.

Scrutiny of Balance Sheets, of the Adarsh Education Society's Arts, Commerce and Science Sr. College, Hingoli for the years from 2018-19 revealed that an amount of Rs.8461/- towards TDS was shown as outstanding and payable to Income Tax Department in the account for the year 1995-96. The same was not credited in to Government account till the year 2018-19. Thus, there was a delay of 23 years in remittance of TDS into Government account. This amount of TDS payable was shown as Asset in the balance sheet for the year 2018-19, which is incorrect.

On this being asked the reason for non remittance/delay in remittance of TDS, the Principal replied (09/2019) that Rs.8461/- was already remitted to Government account and accordingly necessary corrections would be made in the next audit report.

The reply is not acceptable as no documentary evidence was shown to audit to confirm the facts.

Further progress in the matter may be intimated to audit.

Para.11: Non Assessment of Grants of Sr. College.

As per rule 94.4 of Secondary School Code, assessment of every college should be carried out by Education Department so that admissible and inadmissible items can be segregated and memos of inadmissible expenditure shall be supplied to managements of schools within a fortnight after inspection and their representation.

if any, will be taken into account by the appropriate authority before fixing their admissible expenditure and assessing grants thereon.

Inspection Report for the Period 1992-93 to 1997-98

Para. 1: Excess assessment of salary grants to the extent of Rs. 93,800/- by the Admn Office of the Joint Director of higher Education, Nanded region for the year 1994-95 and 1995-96.

On scrutiny of assessment of assessment statement for salary grants for the year 1994-95 assessed by the Administrative Officer, Office of the Joint Director of Higher Education Nanded Region, Nanded. It was observed that the administrative office had wrongly assessed salary grants in excess Rs. 93,800/- as under.

01. The salary grants due to college for the years 1994-95 2,80,003/-

02. Salary grants already paid during 1994-95	(-) 62,28,800/-
03. Final grants to be paid	51,203/-
04. Less/excess grants to be recovered of the previous year 1993-94	(-) 1,03,513/-
05. Net grants remains to be recovered from next assessment year i.e 1995-96	(-) 52,310/-

Instead of showing recoverable grants of Rs.52,310/- the Admn. Officer has assessed Rs.41,490/- to be paid to the college as under.

01. Salary grants due to college during 1994-95	62,50,003/-
02. Salary grants paid to college 1994-95	62,28,800/-
03. Excess grants to be recovered of the previous year 1993-94	(-) 1,03,513/-
04. Net grants to be paid in the year 1994-95 instead of recovery of	(+) 41,490/-
	Rs. 52,310/-

Thus wrong assessment done by the Admn. Officer resulted in excess payment of salary grants to the extent of Rs. 93,800/- (Rs. 52,310+41,490).

On scrutiny of assessment statement of salary grants for the year 1995-96 it was observed that instead of deducting Rs.(-) 52,310/- from the salary Rs. 41,490/- had been added in salary grants as under.

01. Salary grants due to the college for the Year-1995-96	74,23,352/-
02. Salary grant paid during the year to the college Instalment wise	73,80,352/-
03. Salary grants to be paid now	Rs. 43,000/-
04. Excess grants to be recovered paid of the previous year	Rs.(+) 41,490/-
05. Net grant to be paid in 1995-96	Rs. 490/-

Thus from above it is clear that the senior college was in receipt of excess salary grants of Rs. 93,800/- in the year 1994-95.

During previous audit the Principal replied that salary grants in respect of physics and Electronic Teacher was deducted in 1992-93 and 1993-94 amounting to Rs. 98,000/- and subsequently adjusted by the Administration Officer. Hence there is a difference, however the matter was brought to notice of the Joint Director of Higher Education grant Nanded Region. Nanded by the institute and compliance form Joint Director, was asked for.

During current audit (09/2019) Principal stated that while assessing the grant for next year, the Joint Director checks for less/excess release of salary for yester year and carry out the assessment accordingly.

The comments of Jt. Director, Higher Education, Grants, Nanded may be obtained for excess salary grant to Physics and Electronic teacher.

Inspection Report for the Period 2005-06 to 2007-08.

Para. 1: Incorrect carry forward of amount recoverable after final assessment for the year 2005-06 to 2007-08.

The Joint Director of Higher Education Nanded vide his letter No.2253-54 dt.28-4-2008 forwarded final assessment statements for the year 2005-06 to the college. It was seen from salary Grant assessment statement that salary grant payable during 2005-06 was worked out at Rs. 1,38,25,995 and after deduction of adhoc salary grant paid for 2005-06 amounting Rs.1,41,91,000/- amount recoverable was worked out at Rs. 3,65,005/- (144191000-13825995).
in the final assessment statement of salary grants for the year 2004-025 Ra. 5,63,223=00 was shown as recovery therefore total recovery works out to Rs. 9,26,228=00, however Joint Director has shown recovery at Rs. 1,98,218=00 This has resulted in Incorrect carryforward of amount recoverable after final assessment for the Year 2005-06 to 2007-08 under-

(Amount in Rs)

Year	Actual Working			Working made by Jt. Director		
	Grant Assessed	Adhoc Grant paid	+/-	Grant Assessed	Adhoc Grant paid	+/-
	{Previous year recovery}		-563223	{Previous year recovery}		-563223
05-	13825995	14191000	-365005	13825995	14191000	+365005
06	Total		-928228	Total		-198216
06-	15213609	15568000	-354191	15213609	15568000	+354191
07	Total		-1262419	Total		-155973
07-	16068339	16280000	-216661	16068339	16280000	-216661
08	Total		-1499080	Total		-60688

As such the total recoverable amount works out to Rs. 1499080/- at the end of the assessment of the salary for the year 07-08. But Jt Director of Higher Education, Nanded had shown it as Rs. 60688/- resulting in excess payment of Rs. 1438392/- (Rs 1499380 - 60688) to the Society due to incorrect assessment by the grant assessing authority.

During previous audit the Principal in reply, stated that the matter will be confirmed from the Jt. Director, HE, Nanded. as the assessment is made by him, and intimated to audit.

Further progress in the matter may be reported.

During current audit (09/2019) Principal stated that while assessing the grant for next year, the Joint Director checks for less/excess release of salary for yester year and carry out the assessment accordingly. Hence there is no excess payment of salary.

However, fact remained that necessary documents in support of audit point were not submitted.

The comments of Jt. Director, Higher Education, Grants, Nanded may be furnished to Audit.
